Allowable Subject Matter

Claims 1-11 and 15-18 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach the claimed analytical furnace having a disc shaped body with a crucible holder or platter having a plurality of aperture having crucibles therein, in combination with a first temperature sensor having a fixed relationship in the furnace for detecting the furnace temperature and a second temperature sensor removably positioned with one of the crucibles and a control circuit responsive to the sensors for correlating and profiling optimum temperature control signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark H. Paschall whose telephone number is 571 272-4784. The examiner can normally be reached on 7am - 3pm.
